To Whom It May Concern

Subject: **Shultz Engineering Group Reference**

Shultz Engineering Group has worked with Duke Energy to determine energy conservation measures for over 50 buildings of varying uses in multiple states. They have demonstrated an ability to thoroughly survey existing building systems, understand their impacts, and provide effective solutions for improved energy efficiency.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "John C. McKenzie". The signature is written in a cursive style with a prominent "M" and "K".
